## Department of Mechanical Engineering

### Consolidated report on feedback and action taken on syllabus/curriculum for the academic year 2021-22

Stakeholder	Suggestions	Action Taken
Faculty	<ol style="list-style-type: none"><li>1. Introduction of courses in line with current trends like electric vehicles, robotics, design thinking labs etc. are necessary.</li></ol>	<ol style="list-style-type: none"><li>1. The curriculum is continuously modified coherent with the current trends in industry to mould the students with the necessary skills. The course structure has been streamlined by introducing Robotics, DT as courses. Electric vehicles will be the next generation mode of transport. Taking this into preview, exclusive limits on electric vehicles, Hybrid vehicles along with the related topics line types of batteries, electric circuits etc. are included.</li></ol>
